                Multisensor Working Group

1.   The seventeenth meeting of the Multisensor Working Group will be
held on 28 February 1967 in the main auditorium at 1000 hours.   A briefing
will be given by ▮▮▮▮▮▮▮▮▮▮▮▮▮▮▮ on the missions and functions of
the Interpretation and Analysis Section, Reconnaissance Intelligence Data
Handling Branch, Rome Air Development Center.   This section is accomplishing
in the tactical reconnaissance field what is badly needed in the strategic
reconnaissance field, i.e., a comprehensive, coordinated program of sensor
and imagery evaluation and utilization.   In addition ▮▮▮▮▮▮▮ will ▮▮▮   25X1A
